# Welcome

Westbury Smiles is an independent, family dental practice that welcomes new patients of all ages. Established in 2019 by siblings Julie and Alan Hopkins the practice aims to provide affordable, high quality dentistry with a personalised approach to deliver outstanding patient care.

Keeping up-to-date with modern techniques we adopt preventative and minimally invasive approaches to our care. We encourage regular checkups which help keep down the cost of any treatment.

## Our dentists

**Dr. Julie Hopkins**  
BDS, MJDF  
GDC: 178224

Julie qualified from the University of Bristol in 2009. She obtained a merit in oral medicine and gained several awards including the Roger Smith award for her research into tooth erosion and the Heraeus Kulzer award for her knowledge of dental materials.

In 2016 Julie completed her MJDF qualification and in 2018 enrolled in postgraduate studies in Fixed and Removable Prosthodontics at Kings College London.

**Dr. Alan Hopkins**  
BDS, MJDF  
GDC: 228117

Following graduation from the University of Bristol in 2012 Alan worked in general dental practice in Berkshire for several years before returning to Bristol to open Westbury Smiles with Julie. Alan has attended highly respected courses in aesthetic dentistry by experts in the field, Style Italiano and Didier Dietschi.

Alan has also completed his MJDF qualification and studied Fixed and Removable Prosthodontics at Kings College London.
